TENANT ALERT

NEW MPA DMT BADGE HOLDER ENTRANCE/ EXIT

Beginning Tuesday September 11th, one inbound and one outbound lane of the Dundalk Marine Terminal (DMT) truck plaza will be open and dedicated for use by fully credentialed persons and vehicles with business on DMT. Operating hours for these lanes will be **Monday through Friday Inbound 0630-1700 and Outbound 0630-1800.**

To be considered fully credentialed:

- All occupants of the vehicle must present valid and current MPA issued identification badges
- All occupants of the vehicle must present valid and current TWICs
- The vehicle must display a valid and current MPA issued windshield decal

Any persons or vehicles that attempt to enter or exit the terminal via these lanes without the full credentials as listed above will be denied entry and turned around.

Please use caution while entering or exiting the terminal; there are multiple lanes merging and at grade railroad crossings in the immediate vicinity of these lanes. Please obey all posted signs and traffic markings.

If you have any further questions regarding this project,
please do not hesitate to contact MPA operations at 410-633-1077.
